

FOUR REASONS TO SWITCH TO COMPATIBLE

ADVANTAGES

Cost Savings

Compatible ink and toner offer great cost per print value, saving you big vs. OEM.

Sustainable Production

Compatible and Remanufactured product often use recycled components and less packaging waste than OEM.

Freedom of Choice

Compatible brands give you more options. Use OEM where you need it; switch to Compatible where you don't.

Quality Guaranteed

Compatible brands typically guarantee product quality, and federal law bans OEMs from voiding warranties for using compatible consumables.
