

# PREMIUM COMPATIBLE IMAGING SUPPLIES

**A High Performance Compatible Line  
100% Backed by Image Star**

**Quality You Deserve  
Reliability You Can Trust**

## EVERYTHING YOU NEED

Hyperion offers a comprehensive line of toners, inks, fax supplies, and more. No matter what equipment brand you use, we have a Hyperion product designed for you.

## TREMENDOUS VALUE

Hyperion is engineered to stringent design specifications and quality assurance standards that ensure OEM equivalent page yield and print quality. And you get all this at a substantially lower cost per page vs. OEM.

### SUPERIOR ENGINEERING

Hyperion is built better. We engineer for superior quality, and stringent quality assurance protocols ensure you get nothing but the best.

### COST PER PRINT VALUE

Hyperion cuts out the OEM brand mark-up to deliver comparable quality at a much lower cost per print. We invest in quality instead of marketing.

### COMPLETE WARRANTY

We offer a 100% performance guarantee for one year after purchase. You can expect OEM equivalent yield and print quality – or get your money back.
